REDD-PAC Cambridge Meeting

Date: 10th – 12th June  
Location: UNEP-WCMC, Cambridge

Agenda

10th June

09:00 – 10:00  Welcome and introductions
  Welcome by UNEP-WCMC
  Round table introduction of participants
  Overview and agreement on the agenda and main aims of the meeting

10:00 – 11:00  Update on progress from IIASA (incl. meetings/conf attended)
  Including up to ~30 min presentation and ~30 min discussion of issues raised that need to be addressed during the meeting

11:00 – 11:20  Coffee

11:20 – 12:20  Update on progress from INPE (incl. meetings/conf attended)
  Including up to ~30 min presentation and ~30 min discussion of issues raised that need to be addressed during the meeting

12:20 – 13:20  Update on progress from COMIFAC (incl. meetings/conf attended)
  Including up to ~30 min presentation and ~30 min discussion of issues raised that need to be addressed during the meeting

13:20 – 14:20  Lunch

14:20 – 15:10  Update on progress from UNEP-WCMC (incl. meetings/conf attended)
  Including up to ~30 min presentation and ~30 min discussion of issues raised that need to be addressed during the meeting

15:10 – 15:40  Links to other projects (15 mins each)
  - CoForTips (IIASA – Aline Mosnier)
  - IIASA flagship (Indonesia)
  - Global Land project? (INPE)
  - Commodities and Biodiversity: Planning for future capacity (UNEP-WCMC – Liz Farmer)
  - Predicts (UNEP-WCMC – Tim Newbold)

15:40 – 16:00  Coffee

16:00 – 16:30  Links to other projects continued

16:30 – 17:30  Agreement of issues for discussion
  Whole group issues
  Smaller group issues and who needs to be included

Dinner
11th June
09:00 – 11:00  Land cover classes, implications for the analysis and conversion rules
   - E.g. Land cover classifications used in Brazil and how to classify the Pantanal
   - Implications of land use change rules
   - Implications for biodiversity assessment
   - What time step will be used in the analysis and the implications of the selection

11:00 – 11:20  Coffee
11:20 – 13:00  Scenarios
   What scenarios will be tested in GLOBIOM?
   Global scenarios and REDD+ scenarios
   Links to biodiversity policies
   How will the scenarios be developed?
   Stakeholder engagement in scenario development

13:00 – 14:00  Lunch
14:00 – 15:30  Issues identified on day 1 – SET A
   e.g. could include data gaps
15:30 – 16:00  Coffee
16:00 – 17:30  Ensuring policy relevance of the project
   Relevance to national REDD+ plans
   Relevance to national commitments under the CBD and other national biodiversity priorities
   Relevance to other sectoral policies
   Method for ensuring relevance
   Stakeholder engagement

12th June (Timings to be confirmed on day one when IIASA participants departure time is confirmed)
09:00 – 11:00  Future meetings, deadlines and outputs from the project
   - Meetings in Brazil
   - Meetings in Congo Basin
   - Reports
   - Papers/Conferences
   - Deliverables (and provisional dates)
11:00 – 11:20  Coffee
11:20 – 13:00  Carbon Biomass datasets (and other input data)
   - Map to use in global analysis
   - Map to use in BrazBiom
   - Map to use in CongBiom
   - Implications of using different maps in different regions
13:00 – 14:00  Lunch
14:00 – 15:00  Discussions on issues identified on day 1 – SET B
   (Split into small groups as needed).
15:00 – 16:00  Review of decisions from the meeting and next steps.
16:00 – 17:30  Close of meeting (timing to be confirmed)
